**Jim Futrell : Amusement Parks of Pennsylvania** before purchasing it in order to gage whether or not it would be worth my time, and all praised Amusement Parks of Pennsylvania:

0 of 0 people found the following review helpful. Great Read!By Karen L. BrownWonderfully, informative book. It talks about park history, reason for closing (if applicable), or how it is doing today. Would definitely recommend to anyone interested in visiting Amusement Parks in PA. By the way, this is the second book we have by Jim Futrell - enjoyed the first book, had to obtain this one!1 of 1 people found the following review helpful. Camping and moreBy

Sironsmill This is an expanded version of the information that Mr Merrill presented in his "The Hunters Bible". Anyone who camps will find some valuable information here. I really like his style of writing and found this book very readable. 0 of 0 people found the following review helpful. a nice guide By debbie mcleannice book but i wanted more pictures of the parks but it does have a lot of information in it

Pennsylvania is home to many classic amusement parks, several of which began operating as early as the late nineteenth century. Some of these parks maintain rides and amusements from their early years, preserving an atmosphere of nostalgia. Others have evolved with new trends in the industry, adding high-tech rides and water parks. This book begins with a concise history of the amusement park, then surveys the industry in Pennsylvania. A comprehensive guide to 13 parks in the state and a selection of smaller ones, complete with information on rides and attractions, follows. Packed with vintage postcard images and photos.

About the Author Jim Futrell has worked as a marketing consultant for Kennywood Entertainment and Conneaut Lake Park and is the director and historian of the National Amusement Park Historical Association. A resident of Pittsburgh, he is the author of several articles on amusement parks and an avid collector of amusement park memorabilia.
