of the Discovery of an Ancient Ship on the Eastern Shore of Cape Cod (Classic Reprint):

Excerpt from An Account of the Discovery of an Ancient Ship on the Eastern Shore of Cape Cod Our earliest historians record that in 1626 a ship entered a harbor on the eastern coast of Cape Cod, and that while therein, a violent storm arose, closed its entrance, and prevented her departure. This harbor was known to the first settlers as The Old Ship Harbor; but the memory of its location has faded from the minds of the men of the present generation, and exists only in the form of an uncertain tradition. I have made many inquiries of the aged respecting its location, but could Obtain no certain information. There is another tradition, more uncertain and unreliable, that the name of the Old Ship was Sparrow Hawk.
