Henry Allen : An Expedition to the Copper, Tanana, and Koyukuk Rivers in 1885 (Northern History Library)

before purchasing it in order to gage whether or not it would be worth my time, and all praised An Expedition to the Copper, Tanana, and Koyukuk Rivers in 1885 (Northern History Library):

0 of 0 people found the following review helpful. Great BookBy All have been looking for narrative of this epic exploration trip for some time. First person account from LT Allen himself. Tells of the hardships, hunger and negotiations with friendly Indians that were essential for it to happen at all. Other expeditions had failed because they were not able to get assistance, but Allen was.0 of 0 people found the following review helpful. a little known part of Alaska history - should be better known.By Marjorie W. DunawayFirst found this in a bed n breakfast in Gulkana. Found a copy on so I could finish it. Fascinating story. Three guys covered a VAST portion of Alaska by boat and foot in a relatively short time. They had to be incredibly tough and organized.0 of 0 people found the following review helpful. Great adventure.By Fairbanks JosephThese guys did what Louie and Clarke did only they did it on glacier fed rivers and on an empty stomach!

Book by Allen, Henry

About the AuthorAllen was awarded the Pulitzer Prize for Criticism in 2000. He has been a feature writer and editor

for the Washington Post since 1970.
