**Claus-M Naske : Anchorage: A Pictorial History** before purchasing it in order to gage whether or not it would be worth my time, and all praised Anchorage: A Pictorial History:

1 of 1 people found the following review helpful. Fine and Accurate WorkBy CLAW 907I grew up in Anchorage AK, so I was interested to see how accurate this book would be. It is quite accurate and has illustrations that are excellent also. A great historical for those interested in the background of Anchorage AK2 of 2 people found the following review helpful. multipurpose bookBy your guideThis is an excellent book that takes you through the early stages of Anchorage history in a step by step manner. The way this book tell you the history by the use of pictures as well as written descriptions is an excellent way to keep children and others interested. This book would make an excellent addition to someones library are a perfect gift give to somebody.I'm certain both you and others will appreciate very much. Lee2 of 2 people found the following review helpful. Early Anchorage PhotosBy Aurora1Since my students will be studying the history of Anchorage in a more detailed social studies program, I thought this might be an interesting reference book to add to the classroom. The book arrived quickly, and in wonderful shape. This is a hard cover text that is also part of a limited printing. Inside the book, I received a beautiful bookplate signed by the author, and listing my book number out of the total run. The pictures are grouped in sections (early inhabitants, tent city at Ship Creek, etc.) Old maps of the area were also included for reference. My class this year, and future years, will gain quite a bit of important information by perusing this book. This is not what I was expecting for the low price paid, and I was very happily surprised when I opened this package.(End of the year update) The class loved looking at these pictures, and often asked to look at this book (it was left out for easy use). The students usually asked questions, and

we had discussions about the pictures. Great book!
