From Rand McNally : Anchorage (Alaska) (USA Easyfinder Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised Anchorage (Alaska) (USA Easyfinder Maps):

0 of 0 people found the following review helpful. Easy to use street mapBy Happy HartNice, compact street map. Folds easily, unlike a regular paper map. This will last for years with it's heavily laminated pages. Accurate listings and includes streets of Elmendorf Air Force Base.
