Peter Vassilopoulos : Anchorages and Marine Parks before purchasing it in order to gauge whether or not it would be worth my time, and all praised Anchorages and Marine Parks:

0 of 0 people found the following review helpful. Four Stars By DDK Good, a nice and clean used one. 0 of 0 people found the following review helpful. Anchorages and Marine Parks By Mark Ski A good companion book to Docks and Destinations. This book tells you where you can anchor, what the winds and protection might be or might not be in an area. Good book for someone that is not familiar with the San Juan Islands, Puget Sound, and parts of Vancouver BC Island. 0 of 0 people found the following review helpful. A 'must' in any mariner's planning process By Midwest Book Review ANCHORAGES AND MARINE PARKS is a revised, new edition offer a color format and a layout designed to provide quick and easy reference details to any mariner. The entire Pacific Northwest and the Inside Passage of the west coast of British Columbia are covered in this practical guide, packed with maps and diagrams. A 'must' in any mariner's planning process.

An invaluable reference to anchorages and marine parks on the British Columbia coast and in the San Juan Islands. Hundreds of color photos, mostly aerials, useful maps and diagrams, GPS coordinates and expanded coverage on the west coast of Vancouver Island. The many anchorages are illustrated with diagrams and photos that include all the popular cruising spots, such as the Gulf Islands, and the Inside Passage. Scuba diving and kayaking regions are also included in this user friendly book.

About the Author Peter Vassilopoulos has been boating in the Pacific Northwest for more than 30 years and is the author of a series of cruising guidebooks for this area.
