**Emily Hiestand : ANGELA THE UPSIDE-DOWN CL (Concord Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised ANGELA THE UPSIDE-DOWN CL (Concord Library):

A childhood shaped by her zestful aunt Nan Dean of Tuscaloosa County, Alabama; a girlhood spent in Oak Ridge ("Atom City"), Tennessee; a journey north to a seedy seaside town where a stripper named Angela the Upside-Down

Girl is her first neighbor these are only some of the geographical and spiritual journeys in this dazzling, seriously funny guide to the art of being human.
