Lisa Beaumont : Anne Rice's Unauthorized French Quarter Tour: Anne Rice's New Orleans before purchasing it in order to gage whether or not it would be worth my time, and all praised Anne Rice's Unauthorized French Quarter Tour: Anne Rice's New Orleans:

0 of 0 people found the following review helpful. I did enjoy parts of the book as I toured the French ...By TBoneI had the impression that this book was written with more attention on speed of completion than on quality; as if the author

was simply trying to grind it out. I did enjoy parts of the book as I toured the French Quarter, and it had the references to Anne Rice's novels that I wanted. However, having also taken two tours while we were there, I know the author could have added so much more interesting information. I do not regret buying the book, but only because I had never been to New Orleans and am such a big Anne Rice fan. I would not recommend this book, however, to anyone who hasn't read all of the Vampire and Mayfair Chronicles. 2 of 2 people found the following review helpful. Good Walking Tour By Customer I downloaded this to my Kindle and as my Hubby and I walked around New Orleans we referred to it for the history of the sights we were seeing. The Hubby isn't an Anne Rice fan, but found the walking tour informative in its historical facts. It was too much to do in one day, sore feet and the heat took a toll on us, but as we were in the city for a week we used it several times as we roamed around. I would recommend it for anyone going to NOLA for the first time and interested in the historical sites. 1 of 1 people found the following review helpful. I want to visit New Orleans again and take the tour. By Pat Bridgewater I am still reading this, but it makes me want to visit New Orleans again and take this tour. I have been to many of these locations, though now I will see them through the eyes of Anne Rice's characters. If you love the Vampire Chronicles and the Mayfair Witches, then you need to read this tour book and, hopefully take the tour.

Anne Rice Unauthorized Tours takes you to the places Anne Rice mentioned in the Mayfair Witches and Vampire chronicles. The book has over 60 locations with beautiful pictures. You do not need to be an Anne Rice Fan to enjoy this tour book.
