The Appalachian Trail Travel Events Calendar displays stunning imagery from Georgia to Maine -- highlighting the beauty of the trail. As a bonus the calendar is designed as a resource guide offering trail and event information as well as travel suggestions. You'll find maps featuring the most popular sections of the trail and you'll also find a directory of state tourism websites, National Parks websites, travel links to each state along the trail and information on scenic byways. Enjoy the hike!

About the AuthorOur location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of

popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.
