John Connely, Ed Grove, John Porterfield, Charlie Walbridge : Appalachian Whitewater: The Northern States, 4th before purchasing it in order to gage whether or not it would be worth my time, and all praised Appalachian Whitewater: The Northern States, 4th:

This new edition contains up-to-date phone numbers, gauge information, web pages as well as the accurate river and shuttle information readers have come to expect from this series.

From the Back CoverThe Appalachian Mountain system provides paddlers with a whitewater playground that spans fifteen states, and Appalachian Whitewater: The Northern States provides in-depth coverage of the rivers you want to know about. With difficulty levels ranging from Class I to Class VI, there's something for everyone in this compilation

of classic Northern rivers. Whether you're a veteran or a beginner, this book will prepare you to test your skills on the rivers of Connecticut, Maryland, Maine, Massachusetts, New Hampshire, New York, Pennsylvania, Vermont, and West Virginia. *Appalachian Whitewater: The Northern States* gives you the information you need to know about each river in a straight-forward and easy-to-read format. Detailed river descriptions include photographs and maps, as well as essential data such as: access, difficulty, portages, gradient, hazards, water level, rescue index, velocity, average width, gauge, highlights, and scenery. There is enough whitewater in the Appalachians to last the most avid paddler a lifetime, so we have selected only the finest runs in the northern states. From mellow ambles to the most challenging rapids, the rivers detailed in *Appalachian Whitewater: The Northern States* are all undeniably gorgeous. So, strap on a helmet, and get your boat in the water - whitewater! For descriptions of more great river runs, check out *Appalachian Whitewater: The Southern States*, which includes Alabama, Georgia, Kentucky, Maryland, North Carolina, South Carolina, Tennessee, Virginia, and West Virginia. (8 1/2 X 11, 272 pages, bw photos, maps, illustrations, charts)
