Ray Nadeau, Robert, R. Reynolds : Are You Chicken? A Coward's Guide to Roller Coasters. before purchasing it in order to gage whether or not it would be worth my time, and all praised Are You Chicken? A Coward's Guide to Roller Coasters.:

7 of 7 people found the following review helpful. Pointless coaster brochureBy Fabio RossiBeing extremely interested in roller coasters and theme park attractions in general, yet also being terribly prone to motion sickness (yes, I know

this sounds weird, and it is), I really looked forward to this book. Which, unfortunately, isn't a book at all, but a sort of slim and undersized prozine. And this is the first problem. Then we have extremely factless texts, which could only interest those who never had access to very basic information about roller coasters (like, yes they do have brakes, guys). And finally most photographs are straight out park brochures, thus very spectacular and very poorly reproduced. Interesting only for cartoon chickens fans, as some of the cartoons introducing each chapter are actually damn funny. 3 of 3 people found the following review helpful. GoodBy A Customer The wording, and wonderful color pictures made this book an awesome book to read. Thank you, John--7 of 13 people found the following review helpful. terrible By A Customer senseless anecdotes and silly stories of stupid people getting scared on the whimpiest roller coasters. if u want good rollercoaster reviews check out The Deadliest Thrill Rides Ever by Maxwell Nortini

Paperbound with pictorial covers. illustrated with color photos throughout.
