Sherry Jackson : Five-Star Trails: South Carolina Upstate: Your Guide to the Area's Most Beautiful Hikes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Five-Star Trails: South Carolina Upstate: Your Guide to the Area's Most Beautiful Hikes:

0 of 0 people found the following review helpful. Good review of hikes in the areaBy Bud KGoing to South Carolina next week, got several books for the area and this appears to be the best. The graphic layout of elevation changes in addition to the maps and clear directions are terrific. The 5 star ranking for scenery, difficulty, solitude, etc are helpful in deciding what hikes to take on a limited schedule. I have lots of hiking books for many areas, this is one of the better ones.1 of 1 people found the following review helpful. Good book for SC hikingBy John Wenzelburgerits a great book for hiking very detailed trail descriptions interesting to read even if you never try to hike that trail.0 of 0 people found the following review helpful. Five StarsBy TJWPerfect book for those looking to hike in South Carolina! Easy reading and lots of information

The South Carolina Upcountry is gaining more popularity and people visiting will need to know how to discover all it has to offer. Outdoor activities here abound and there are a good variety of trails for hikers of all levels. From waterfalls to amazing mountain views, each trail offers hikers an incredible experience. Since the Upcountry is relatively "undiscovered", there are very few books that have a true compilation of hikes in the area. Five-Star Trails: South Carolina Upstate will bring together those hiking trails that offer a "five star" experience.Each trail has been thoroughly researched, recently hiked and includes a detailed description, trail profiles and map. At a glance ratings in important categories such as Scenery, Trail Condition, Difficulty, Solitude and appropriateness for children let you quickly select a trail that fits your tastes and ability. Other useful information such as fees, restrictions for dogs on the trail as well as advice on when to visit offers you the best information so you can plan your trip with ease.Five-Star Trails: South Carolina Upstate provides directions and commentary for each trail on what to expect along the way, making it more than just an average guidebook.

About the AuthorSherry Jackson's love of travel came at a young age. Her family would load up the car on the weekend, pick a destination, and set off to explore. She has traversed through jungles, snorkeled the turquoise waters of the Caribbean, and wandered the streets of Paris, always searching for her next adventure. Her articles have been featured in a variety of outlets including USA Today, Blue Ridge Country, Foothills Spotlight Magazine, Jetsetter, Boots'nall, Gadling, Yahoo, The Simpsonville Sentinel, and countless other print and online publications. She owns and maintains four websites. Sherry is a member of the International Food, Wine and Travel Writers Association (IFWTWA) and the North American Travel Journalists Association (NATJA).
