Good Product  
0 of 0 people found the following review helpful. Great map!  
By The Lumberjack  
These are great maps. They are water proof as stated. My wife and I have used them on many trail journeys over days of rain and dust and they hold up very well.

By Customer  
National Geographic maps are excellent and accurate. No problems.

Waterproof Tear-Resistant Topographic Map  
Flat Tops is Colorado's second largest wilderness. National Geographic's Trails Illustrated map of Flat Tops North delivers unmatched detail and valuable information to assist you in your exploration of this scenic region of flat-topped mountains, subalpine terrain, alpine tundra, and hundreds of streams, lakes, and ponds. Created in partnership with local land management agencies, this expertly researched map features key areas of interest including Oak Ridge State Wildlife Area; North Fork White River; Flat Tops Trail Scenic Byway; Meeker, Trappers Lake; and Yamcolo and Stillwater reservoirs. With miles of mapped trails highlighted according to use, this map can guide you off the beaten path and back again. The clearly marked trails include mileage between intersections. The map base includes contour lines, shaded relief, and elevations for summits, passes, and many lakes. Some of the many recreation features shown include campgrounds, fishing areas, whitewater access, boat launches, trailheads, interpretive sites, horse corrals, picnic areas, and more. Survival tips and agency contact info is provided as well. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Flat Tops Wilderness, Routt National Forest, White River National Forest. Map Scale = 1:63,360 Sheet Size = 25.5" x 37.75" Folded Size = 4" x 7.5"

About the Author  
Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
