**Don Crane : Floating Alaska! Planning Self-Guided Fishing Expeditions (Clear Simple Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Floating Alaska! Planning Self-Guided Fishing Expeditions (Clear Simple Guides):

0 of 0 people found the following review helpful. Good resource By Jeff W. Good resource. It is dated a few years but most of the information is applicable today. 0 of 0 people found the following review helpful. A must for the person

that wants to take an unguided trip down an Alaskan river  
By James Henderson  
Perhaps one of the best books available to anyone that enjoys a "do it alone" expedition in Alaska.....  
0 of 0 people found the following review helpful. not bad  
By Customer  
This book has some great info. and is well worth it the cost of the book and the shipping. I expect it to help me on my ANWR raft trip.

Alaska is a dream destination for many fishermen, but with this book those dreams can now come true. Don Crane takes a complicated topic and breaks it down so that anyone can plan a self-guided float trip for an extremely reasonable price. Crane covers; preparation; gear; camping; food; fishing; wildlife; resources and services; and so much more. If you and your buddies have always fantasized about an Alaskan fishing adventure, *Floating Alaska!* will tell you everything you need to know for a productive, inexpensive, and organized trip.

About the Author  
Don Crane grew up in Colorado in a family that loves the outdoors. After a 32-year career as a District Wildlife Manager with the Colorado Division of Wildlife, Don and his wife Mary moved to Cody, Wyoming where he books worldwide hunting and fishing trips. He has also guided fly-fishermen in the Cody area. In addition to his Alaska river adventures, Don has float-fished rivers in Alberta and British Columbia, plus numerous rivers in the western states.
