By cabin reader Matthew captures the spirit and soul of a young man on a journey quest for freedom from everyday life. He thinks outside the box. As he encounters dangers and temptations, he deals, sometimes in not ways that high society

would accept, but that work for him. This is an amazing river adventure and coming of age story. Start to finish excitement. 0 of 0 people found the following review helpful. Waste of Time! I learned a ton about planning my own trip down the river but that does NOT make this a five-star book! 0 of 0 people found the following review helpful. Great book By zepfan I loved this book.
