Will come in handy on an upcoming vacation trip. 0 of 0 people found the following review helpful. Guides State to State By Lalie This is another one of State Nature Guides. It's good there are easy to carry guides just for each state. I go birding, travel and do photography. When I go to the Bahamas in June 2014, I'll have one for Florida so if I see a bird or take a photo and later need to identify it, the guide will help me identify it. 1 of 1 people found the following review helpful. Florida Birds By Lago Buy this Christmas present my brother. He work Disney World driving boats between hotels and Magic Kingdom. People are forever asking him what type of birds there are. He needed this guide to be able identify different types of birds.

A birder's paradise, Florida has diverse habitats ranging from northern forests and prairies to the vast subtropical Everglades. Florida is home to over 535 species of permanent or migratory species of birds. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an ecoregion map featuring prominent bird-viewing areas.
