David Grimes, Tom Becnel : Florida Curiosities (Curiosities Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Florida Curiosities (Curiosities Series):

By deWe borrowed a 10 year old version of the book from friends, so we bought them the new edition as one of their holiday gifts. While it looks more modern, there hasn't been much change in the book, so either Florida hasn't added many curiosities, or the author hasn't found many. Either way, if you don't have the book, it is fun to do a

roadtrip with it and explore some great oddities. I gave it a 4 star review only due to the lack of changes, not because of the overall quality of the content. 0 of 0 people found the following review helpful. Five Stars By Bucerias Boy This book is a hoot. Not to be missed if you live in Florida or visit it often.

The definitive collection of Florida's odd, wacky, and most offbeat people, places, and things, for Florida residents and anyone else who enjoys local humor and trivia with a twist.

From the Back Cover Whether you're a born-and-raised Floridian, a recent transplant, or just passing through, Florida Curiosities will have you laughing out loud as David Grimes and Tom Becnel take you on a rollicking tour of the strangest sides of the Sunshine State.
