**William Harrigan : Florida Keys (Lonely Planet Diving Snorkeling Florida Keys)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Florida Keys (Lonely Planet Diving Snorkeling Florida Keys):

0 of 0 people found the following review helpful. Also a good guide to the few sites reachable from the beach ...By John EnnisDiving and Snorkeling Florida Keys is a must for anyone diving the keys off a boat. Also a good guide to the few sites reachable from the beach or by sit on top kayak. Match this up with the Diving Guide To Underwater Florida and a Florida Keys fishing chart sold by most marinas and you'll be ready to get wet.0 of 0 people found the following review helpful. Places to diveBy John RobertsLots of reefs just offshore0 of 0 people found the following review helpful. not bad for the priceBy emilio brunoA lot of color pixs and good infoYou could actually use a lot of the info and maps when scuba diving at these locations

A 107-mile ribbon of highway spans the lime-green waters and more than 200 islands that comprise the Florida Keys. Just offshore, a necklace of dive sites parallels the archipelago. Divers have easy access to shallow reefs and spectacular wrecks, such as the Adolphus Busch Sr. or the U.S. Coast Guard cutters Duane and Bibb. Visitors to the Keys can swim with dolphins, celebrate the sunset or stay in an underwater lodge. This book describes 61 of the best sites in the region, from Biscayne Bay to the Dry Tortugas, with full-color photos throughout. You'll get specific information on: dive site topography and access common and hazardous marine life diving services for the entire Keys travel logistics and topside attractions 10 easy-to-read maps

Lonely Planet for honesty, history, irreverence and budget.' --Esquire
