2 of 2 people found the following review helpful. There are certainly better books on Disney World.By DromomaniacUnfortunately this book turned out to be vague, awkwardly written waffle. There's really no helpful information in it at all and it's in need of some good editing or a professional rewrite.Save your money, there are many more useful and better written books on Disney World.0 of 0 people found the following review helpful. Common SenseBy aarandmadsmomThe book wasn't very informative as I already knew the basic information that the book

offered. I wasn't very impressed. 1 of 2 people found the following review helpful. great! By Chris Donofrio And if you would like more information on how to cut your Walt Disney World vacation cost in half, go to Facebook, search DISNEY ON YOUR DIME and "Like" my page for helpful hints, updates and information on Lodging, Eating and Shopping just a couple minutes outside Disney property.

Disney parks offer millions of people so much fun and delight every single year. It seems these parks are quickly becoming the destination for reunions, weddings and just to feel like a kid again. In order to make the most of your trip, we are going to cover all facets of the available parks and a synopsis of what they offer, money-saving tips, top choices of parks to visit, where to stay and dine, travel tips while at Disney parks, ideas on what to do with pets and so much more! After reading this, you will feel ready to create your perfect Disney planning trip or, if you have already completed travel destination plans at Disney, this will guide you on making this the trip of a lifetime. There is so much offered to you and your loved ones while at Disney. If you are bringing loved ones along, be prepared to see glowing and happy faces as you take them on this well-thought out and fantastic trip! Everything Disney touches from its theme parks to dining, transportation to lodging is top of the line. You will walk away from your first trip or your hundredth trip to Disney with a little extra spring in your step and some of that contagious childlike amazement. The magic that flows throughout anything of Disney's is not fantasy but reality. We hope you enjoy the magic that awaits you
