Terry Tessein : Fly Fishing Boston: A Complete Saltwater Guide from Rhode Island to Maine (Backcountry Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fly Fishing Boston: A Complete Saltwater Guide from Rhode Island to Maine (Backcountry Guides):

1 of 2 people found the following review helpful. Striper Fishing RocksBy Outdoor guyI moved to Florida and really

miss stiper fishing in the Boston area. This guide gives you pretty much everything you need to learn about the area. There is a lot of good fishing around if you are willing to be a little adventuresome. Now I sight fish for redfish. Almost as good. 1 of 1 people found the following review helpful. good book By John Stevens This book really does tell you where and how to fly fish within two or three hours of downtown Boston. Glad I stumbled upon this when I did. Guidance from an expert is priceless.

Where and how to fly fish within two or three hours of downtown Boston. Terry Tessein, a veteran of a lifetime of fishing the New England coastline, shares those years of experience in the first detailed guidebook to the multitude of fly fishing possibilities within easy reach of downtown Boston. From the shores of Rhode Island to the coastline of southern Maine, Tessein will guide the reader on where to go, when to go to find particular species, and what flies and tactics to use at each venue. Fly Fishing Boston covers both well known areas like the Joppa Flats of Newburyport, as well as the relatively unknown and underfished areas along this stretch. In addition, Tessein explains such important coastal fishing information as tides and how they affect the movement of fish. Finally, Fly Fishing Boston is detailed enough to provide even regional fly patterns unique to specific zones. It will be a book to both read in the off-season and to pack in the tackle bag when heading out for a day of fishing. 30 black-and-white photographs, 6 maps, index

About the Author Terry Tessein is a longtime fisherman in the Boston area who has written and edited for such publications as New England Outdoors, The Fisherman, Outdoor Life, Tide Magazine, and Saltwater Fly Fishing.
