Beau Beasley : Fly Fishing the Mid-Atlantic: A No Nonsense Guide to Top Waters before purchasing it in order to gage whether or not it would be worth my time, and all praised Fly Fishing the Mid-Atlantic: A No Nonsense Guide to Top Waters:

0 of 0 people found the following review helpful. bookBy Andrew Vaughtnice book and known him personally0 of 0 people found the following review helpful. Good overview, but limited information on each spot.By RobinA good book, with a brief 3-page description of each fishing area. I think some of the more focused guide, to the catch-and-release areas for example, would likely be more helpful for actual fishing rather than just a brief introduction to each spot.0 of 0 people found the following review helpful. A most useful fishing book.By michael j. sebetichThe author included a fine selection of major streams. The maps with specific fishing locations are excellent, and the list of fly shops, guides and accommodations are most useful. Further, the types of flies to use and photos of them will help fisherpersion have fun on the streams.

This guide gives you a quick, clear understanding of the essential information you'll need to fly fish the Mid-Atlantic's most outstanding waters. The Mid-Atlantic is home to some of the largest concentrations of fly fishers and holds some of the country's most famous fly-fishing waters including the Musconetcong in New Jersey, Letort and Yellow Breeches in Pennsylvania, the Gunpowder in Maryland, and the Rapidan in Virginia.

About the Author Beau Beasley is the author of *Fly Fishing Virginia*, published in 2007, and reprinted in 2009. He writes monthly articles in *Eastern Fly Fishing* and *Chesapeake Angler*. He is featured regularly in major fly fishing publications including *Fly Fisherman*, *Fly Rod Reel*, *Fly Fisher*, *Virginia Sportsman*, *Virginia Game Fish*, *Virginia Wildlife*, *Chesapeake Angler*, and *Mid-Atlantic Fly Fishing Guide*. He is the Director of the annual Virginia Fly Fishing Festival held in Waynesboro, Virginia.
