Tom Keer : Flyfisher's Guide to New England Coast: Rhode Island, Massachusetts, New Hampshire, and Maine (Flyfishers Guide) (Flyfisher's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Flyfisher's Guide to New England Coast: Rhode Island, Massachusetts, New

Hampshire, and Maine (Flyfishers Guide) (Flyfisher's Guides):

4 of 4 people found the following review helpful. Comprehensive New England Guide Covers All The BasesBy CabetcbThis book is fantastic. It provides specific tips and locations throughout New England so that both beginning and advanced anglers can maximize their chances at landing salt water species. It is truly comprehensive. Maps are included that are particularly helpful and easy to read.Mr. Keer's writing style is engaging and educational. You get the feeling that he really wants YOU to catch more fish. He avoids "the attitude" displayed by so many fly-fisherman and presents information that is helpful to all skill ranges.If you want to fish New England saltwater for the first time, learn more tactics, or learn about specific locations in New England look no further. This is your book.0 of 0 people found the following review helpful. Five StarsBy Stephen L. CrosmanA great source of information regarding the wheres and hows of flyfishing the waters of New England.1 of 1 people found the following review helpful. Tom Keer's New England Coast is spot on!By Beaver ShriverTom Keer has written the perfect guide to finding great fishing on New England's coast. This book will be under my arm this year as I travel the coast and chase some fish. Informative and fun -- it's a must-have book for fly and light-tackle fishers.

The Flyfisher's Guide to the New England Coast: Rhode Island, Massachusetts, New Hampshire, and Maine is the most comprehensive guide ever written on the innumerable fishing opportunities in this beautiful area of the country. Nationally known writer and angler Tom Keer guides the reader along the entire coastline, including all bays, coves, jetties, tributaries, peninsulas, and islands. Every nook and cranny is covered. Keer covers the seasons, fish species, light tackle, flies, boats, tactics, forage fish, and includes a smattering of the history. Few know the ins and outs of this water better, and even fewer can put it on paper as eloquently as Keer. Dozens of maps detail every access point, boat launch, water feature and depth, giving rookie and veteran anglers alike all the information required to have the times of their lives hammering the big fish available in these waters. From stripers to sharks and everything in between, this is the must-read guide for fishing the coast, from Rhode Island to Main.

About the AuthorTom Keer is a nationally know writer whose essays and articles have appeared in a variety of sporting and general interest magazines. He is a Contributing Editor to Fly, Rod and Reel and has written for Fly Fisherman, Fly Fishing in Saltwaters, Saltwater Fly Fishing, American Angler, Fly Tier, The Fly Fish Journal, Field Stream, and other magazines. Keer live in Wellfleet, Massachusetts with his wife, two children, and two English setters. More information is available at his website.
