Nick Carter : Flyfisher's Guide to North Carolina Georgia before purchasing it in order to gage whether or not it would be worth my time, and all praised Flyfisher's Guide to North Carolina Georgia:

4 of 4 people found the following review helpful. MUST HAVE for anyone who fishes these areas.By Jeffrey H. DanielWonderfully researched and extremely well written, this guide absolutely cannot be beaten. For anyone who fishes these waters or is considering doing so it will be indispensable.0 of 0 people found the following review helpful. Flip and FishBy CrunktimeLike many of the regional series, this is a good source for a visitor or newly arrived local. Used it on a trip in spring 2017and it worked out well. Recommend.0 of 0 people found the following review helpful. Beautiful BookBy Ann B RhodesBeautiful photos!

The cold, clear creeks of the Southeast offer some of the best isolated flyfishing opportunities and unheralded big fish in the country. Those incredible opportunities and more are covered in the all-new Flyfisher s Guide to North Carolina

Georgia. This all-new guide is complete with author Nick Carter's brilliant full-color photography and the same Wilderness Adventures Press maps that have made this series the best flyfishing guidebooks on the market. Public land, access roads, campgrounds, parks, boat ramps, hand launches, parking and picnic areas, driving directions and GPS coordinates for access points are all included. No need to worry about getting lost. This guidebook includes comprehensive coverage of the large rivers, the medium streams and the small brooks. From the high tributaries of the Great Smoky Mountains National Park and Pisgah National Forest in North Carolina to the broad and rolling Chattahoochee River in Georgia and far beyond, Carter has covered just about everything of interest to fly anglers. Carter has fished these waters for years and his experiences and stories guide readers through the best flyfishing this region has to offer. He has penned numerous articles for a variety of flyfishing and outdoors magazines and his expertise has earned him a reputation as one of the best flyfishing writers for this under-rated part of the country. Don't miss out on this encyclopedia of southeastern flyfishing knowledge. You will be rewarded handsomely with new locations, great experiences and excellent fishing.

About the Author Nick Carter is a freelance editor, writer, and photographer with his hands in multiple publications. He is the editor of Coastal Angler, The Angler, a regular contributor to Eastern Fly Fishing, and has been published in numerous other national, state, and regional titles. This, his first book, is the result of two decades spent roaming the Blue Ridge Mountains and fishing with some of the best anglers out there.
