Tom Gilmore : Flyfisher's Guide to Pennsylvania (Wilderness Adventures Flyfishing Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flyfisher's Guide to Pennsylvania (Wilderness Adventures Flyfishing Guides):

0 of 0 people found the following review helpful. This is quite good with very good maps which show the direction of flow, a feature I really like. Nice tempting photos, good directions with GPS and history. It does not talk about hatches and imitations much. It really is overshadowed by Keystone Fly Fishing, published about a year later which is a masterful tome. I have and use them both together to plan my trips.0 of 0 people found the following review helpful. Need to add this book to your libraryBy P. KayThis is what you expect from the author. Great detail, facts, GPS locations, and insight. Go to book for researching places to flyfish in PA. Get this book. You'll love it.2 of 2 people found the following review

helpful. Flyfisher's Guide to Pennsylvania By Tricomman Fantastic guide book. Maps are outstanding

Most fishing guides to Pennsylvania are becoming outdated, which is why Wilderness Adventures Press is introducing the all-new, 8.5x11-inch full-color, map-heavy Flyfisher's Guide to Pennsylvania by noted author Tom Gilmore. This is a completely new from-scratch edition that includes large, full-color maps with GPS coordinates for access points, stunning full-color photos and comprehensive hatch charts laid-out in an easy-to-process format. Each stream was put to a rigorous test ranking them of five criteria: public access, ability to hold trout year-round, fishable population of wild trout, scenic beauty and overall fishing experience. Only the best made the book. The book details 160 trout streams and provides detailed driving directions to over 400 public access points. Under the sections "What the Experts Say" the author shares insights gleaned from interviews of over two dozen guides and experienced fly anglers. It includes exhaustive coverage of the Delaware River and its branches, the Lehigh, the Little Lehigh, French Creek, the Lackawaxen, the Lackawanna, Spring Creek, Penns Creek, the Allegheny, the Loyalsock, the Youghiogheny, Big Spring Creek, Yellow Breeches Creek, Letort Spring Run, Falling Springs, Brodhead Creek and dozens more, both large and small. Anglers are virtually guaranteed to learn something new about flyfishing in Pennsylvania in this fantastic new guidebook.

About the Author Tom Gilmore has written several other flyfishing books including Flyfisher's Guide to the Big Apple and Flyfishers Guide to Eastern Trophy Tailwaters.
