David Hart : Flyfisher's Guide to the Virginias: Including West Virginia's Best Fly Waters (Flyfisher's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Flyfisher's Guide to the

Virginias: Including West Virginia's Best Fly Waters (Flyfisher's Guides):

This is the most comprehensive book to be printed on flyfishing in both Virginia and the best waters of West Virginia. This book covers lakes, streams, creeks, rivers and creeks. Includes detailed maps and hatch charts along with all of the essential travel information for traveling through the Virginia's to fish these fine waters. Some of the rivers covered are the Potomac (North and South branches), the Shenandoah, the New River, the Blackwater and many others. Some of the Lakes and rivers covered are the Switzer, Elkhorn, Manassas, Harrison and many others. Extensive coverage is given to the Shenandoah National Park Streams. Species covered are: Largemouth and Smallmouth Bass, Brook Trout, Rainbow Trout, Brown Trout, Carp, Fallfish, Sunfish, Crappie, Catfish, Rock Bass, Roanoke Bass, Pickerel and Musky. Over 88 detailed river maps and numerous hatch charts.

About the Author David Hart has lived and fished in Virginia since 1974. His unending curiosity has taken him to the smallest streams and the largest lakes and all types of water in between. He is a full-time freelance writer and photographer with credits in numerous publications, including "American Angler", "Virginia Game Fish", "Outdoor Life", and "Fly Fishing and Fly Tying Journal." He currently resides in Centerville with his family and a hyperactive English setter.
