Howard W. Greiner : Flying High in Iowa before purchasing it in order to gage whether or not it would be worth my time, and all praised Flying High in Iowa:

0 of 0 people found the following review helpful. Great look back at some Iowa farm culture and historyBy Grandma LadyGreat look back at some Iowa farm culture and history. I'm from the general area. Reads like "hearing" my grandparents' stories. Lots of photos. Buying another copy to donate to the nursing home library. The residents enjoyed hearing about some of the stories and reminiscing about days gone by.0 of 0 people found the following review helpful. His life experiences after failure were a great example of taking on life as it isBy john r gouldHis

military experience was fascinating. His farm reports year to year were ok. His life experiences after failure were a great example of taking on life as it is. 0 of 0 people found the following review helpful. All the farm stories rather boring. Was expecting more on the POW experience. Poorly written.

Life story of an Iowa farm boy.

About the Author Life story of an Iowa farm boy who grew up during the great depression and with no high school or formal education went on to become a pilot , prisoner of war in World War II. A leading farmer, business man and entrepreneur in Iowa. A father of six children and other accomplishments. See book review below.
