We took our parents for their 50th anniversary and bought this book for them to research and review before going. They said it was a very informative and gave them great recommendations as to which tours being sold by our cruise ship would be the best!4 of 4 people found the following review helpful.

Exploring Alaska on a budget, this book is for you!By A CustomerThis book contains a great list of places to stay and eat with prices. Some of my favorite sections of book include the following: Listing of Best Unspoiled Small Towns, which include Kodiak, Petersburg, and Cordova; Listing of Strange Community Events which include Cordova's Ice Worm Festival, Fairbanks' Midnight Sun Baseball Game nad Nomes Polar Bear Swim/Bathtub Race. If you are going to Alaska's number one destination, Denali National Park, make sure you pick up a copy of Discovering Denali.
