Fodor's : Fodor's Around Boston with Kids, 2nd Edition: 68 Great Things to Do Together (Travel Guide)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fodor's Around Boston with Kids, 2nd Edition: 68 Great Things to Do Together (Travel Guide):

0 of 0 people found the following review helpful. Mixed reviews
By Bargain Bethli We like taking our kids for weekend trips so I was excited to have this for a guide to one of our favorite cities. Right off the bat though it recommends chain restaurants. Never a plus in my book. I used it for ideas like the swan boats and some of the more major attractions. I did enjoy the format and for a basic with kids book it is good.
0 of 0 people found the following review helpful. great
By Joanne Great for parents with young kids. We enjoyed exploring the city with our 1 year old and 3 year old.
0 of 0 people found the following review helpful. Supremely useful
By Ken Zirkel Supremely concise and useful guide to ... yes, things to do in the Boston area with kids. The first edition, at least, is missing only one thing: a map to tell you where everything is.

Each book focuses on 68 terrific ideas for family days, from museums and puppet theaters to skyscrapers and parks. Written by parents who live in the cities they cover, these books are smart about what kids like -- and about what parents need. All the details for planning are included: addresses, phone numbers, admission prices, and age-appropriateness. "Hey, Kids!" info boxes provide fun facts and interesting trivia about the destination, and "Kid-Friendly Eats" features recommend three or four places to grab a bite to eat nearby. Fun to read and easy to use, these handy little guides make it easy to plan an enjoyable, hassle-free day with children in the world's most popular cities. They're perfect idea books for every city parent and grandparent, and indispensable aids for families on vacation.
