NYC with kids reviewBy Kingsgirl79Great information for visiting NYC with children. Nice travel size fits right in your bag so you can easily pull it out. The only thing that would have been handier would be a guide to the subway system. Once you figure that out it is easy travel for everyone!3 of 3 people found the following review helpful. Most helpful!By USC girlMost helpful! This guide is the perfect size and provides just the right amount of detail. Perfect reference for the entire family.
