Fodor's : Fodor's Around Washington, D.C. with Kids, 2nd Edition: 68 Great Things to Do Together (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Around Washington, D.C. with Kids, 2nd Edition: 68 Great Things to Do Together (Travel Guide):

7 of 7 people found the following review helpful. Just the facts, kids!By A CustomerI was skeptical when I first saw this book. After all, it's pretty small. Yet on a recent family trip to DC, I used it more than the two others I bought. No hotel reviews, no Metro maps, this book simply tells you about 68 child-friendly spots to hit--one spot per page. I particularly liked the sidebars that clued you on places to eat near the attractions, like the inexpensive US Department of Agriculture cafeteria across the street from the Bureau of Engraving and Printing, and the fun facts. One omission, however, The International Spy Museum!6 of 9 people found the following review helpful. This is an okay pocket bookBy TerryThe book was just okay. Not much detail on the acctrations. I ordered it with Washington, D.C. with Kids 2002-2003. I used Around Washington with Kids as a guide and read more detailed information in Washington, D.C with Kids. The good thing is that is is small enough to throw in my backpack and bring along during my tour.

Each book focuses on 68 terrific ideas for family days, from museums and puppet theaters to skyscrapers and parks. Written by parents who live in the cities they cover, these books are smart about what kids like--and about what parents need. All the details for planning are included: addresses, phone numbers, admission prices, and age-appropriateness. "Hey, Kids!" info boxes provide fun facts and interesting trivia about the destination, and "Kid-Friendly Eats" features recommend three or four places to grab a bite to eat nearby. Fun to read and easy to use, these handy little guides make it easy to plan an enjoyable, hassle-free day with children in the world's most popular cities.

They're perfect idea books for every city parent and grandparent, and indispensable aids for families on vacation.
