Fodor's : Fodor's Cityguide Atlanta, 2nd Edition: The Sourcebook for Your Hometown (Fodor's Cityguides)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Cityguide Atlanta, 2nd Edition: The Sourcebook for Your Hometown (Fodor's Cityguides):

4 of 5 people found the following review helpful. Best of three Atlanta tour books I boughtBy Matthew DuffFood is important to me - and this book has a great selection of restaurants in the first section. (No long and boring descriptions of Atlanta's history here!) The restaurants are organized by food type. However if you looking for one by name or by neighborhood, the index at the back is quick and easy. The restaurants I have visited consistently have had a good quality/price ratio.The nice map section at the front of the book is a major feature of the book:Positives:- right at the front- high amount of detail in the city center (where I live)- easy to quickly find what I'm looking for using the map index number at the start of every attractionNegative:- the master map of the Atlanta area does not show boxes for the smaller more detailed maps! Therefore if I am on page 8 and am trying to get to a location on page 12, it is very difficult to determine how far it is, or even which direction to go.

This ingenious city guide to Atlanta packages a concise full-color mini guide with a color foldout map. The mini guide contains the top 25 attractions, itineraries, walks, tours, and excursions -- plus capsule reviews of key hotels, restaurants, shops, nightlife, and concise travel facts about getting there and getting around. The full-size color foldout map comes complete with detailed city coverage, neighborhood blowups, public transport, hotels, points of interest, parks, and more. This convenient two-in-one travel resource is perfect for the on-the-go traveler who only needs the highlights of Atlanta.

From the Inside FlapThis ingenious city guide to Atlanta packages a concise full-color mini guide with a color foldout map.
