Fodor's : Fodor's CITYGUIDE Dallas/Ft. Worth, 1st Edition (Fodor's Cityguides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's CITYGUIDE Dallas/Ft. Worth, 1st Edition (Fodor's Cityguides):

4 of 4 people found the following review helpful. METROPLEXBy Shannon DeasonThis guide gives a very good

overview of Dallas, as well as Fort Worth, I am familiar with both cities and whomever wrote the guide has actually done their homework, which quite frankly is not always the case in guides of this sort. The guide's reviews for the most part are spot on, and I liked the maps, even though I am familiar with Dallas I did learn a thing or two from this guide, which surprised me. Fodor's guides are normally well researched and this one does not disappoint and most of the guide is very current. If you are someone planning to visit the Metroplex, then I recommend you picking up this guide, it will give you a nice overview of the area and set you on the right track to having an enjoyable time in these most enjoyable cities.
