Rick Namey : Fodor's Disney Like a Pro: The Totally Unauthorized Guide to Saving Money and Getting the Most Out of Florida's Walt Disney World, Universal Studios and Much More! before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fodor's Disney Like a Pro: The Totally Unauthorized Guide to Saving Money and Getting the Most Out of Florida's Walt Disney World, Universal Studios and Much More!:

2 of 2 people found the following review helpful. An insider's guide to the world's most overwhelming resort. By A Customer
On a recent peak summer season visit to Orlando's overwhelming and expensive collection of theme parks and tourist traps, we found this book of tips, secrets and hints by an Orlando native to be useful, though not always applicable. Some advice was dead-on perfect (parking secrets ponchos), other hints were intermittently so (how to avoid long-lines - sorry Rick, even at 11pm, Space Mountain was nearly an hour in the left hand line), and still others nearly useless (discount or free tickets demand strong sales resistance). The individual ride attraction reviews alone were far more honest and informative than the brief descriptions in the official guide maps. Worth the price of the book alone, we referred to them often throughout our visit - especially when trying to decide if the wait for Back to the Future was worth it (it was).

This should have been titled "Universal Studios Like a Pro" (in fact, the later edition is "Orlando Like a Pro"). The author spends most of the book pointing out how much more he likes Universal Studios over Disney World. Not only are his tips about Disney World useless, but many of his 'facts' are dead wrong (for example, 'like a pro' he tells his readers that the stretching room in the Haunted Mansion ride at Disney World doesn't use elevators, which it does. He erroneously calls the Enchanted Tiki Room attraction "Tropical Serenade", etc). An insult to Disney fans and a poor guide book. Thumbs down to Fodor's for not checking his 'facts' for accuracy.

is all that you will find in this book! This guy advises you to get your tickets by listening to time share pitches! Not only is that time consuming, it's unethical! Unless you want some good laughs, DO NOT buy this book

The totally unauthorized guide to saving money and getting the most out of Florida's Walt Disney World, Universal Studios, Kennedy Space Center, Sea World, and much more. Author Rick Namey, an Orlandoan since 1958, shares his secrets for saving time and money. Exclusive Worth-It Ratings, which reflect how good the experience is in proportion to how much it costs.
