If you're looking for several scenic or historic routes for each state this book isn't for you. However, I was lucky enough to get a scenic route in western Georgia which is exactly what I was looking for. Its not a comprehensive guide to scenic routes of the eastern US, but it ended up working for me.1 of 1 people found the following review helpful. Love the DrivesBy Lesa BrowningI love this book! I travel often and really love to get behind the wheel and explore this great country. This book is full of great driving routes all over the country.

Whether it's a weekend getaway or a cross-country road trip, these driving guides ensure that the fun is in getting there.
