Fodor's : Fodor's In Focus Portland, 1st Edition (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's In Focus Portland, 1st Edition (Travel Guide):

7 of 7 people found the following review helpful. Superb compact guide for the Portland visitor
By Donald A. Beech
After researching numerous possible guides, I purchased this little volume for a two-week vacation stay in Portland this past summer. Because of its compact size, wealth of information, and comprehensiveness, I took it with me wherever I went in discovering the many wonderful sites of this unique and very pedestrian-oriented city. The descriptions, reviews, and ratings of restaurants, museums, parks, and other sites were most helpful in planning itineraries throughout the city - both downtown and in many of the fascinating Portland neighborhoods. Although small in size, it is packed with very useful information and numerous small maps that I referred to constantly during my time there. One of the best features for me as a walker was its light weight and portability. A super companion for the Portland visitor!

By buyergood
Information and clear, very helpful if going to Portland
3 of 3 people found the following review helpful. Great little book
By Annette M. Rittman
Great little book -- hit all the highlights of Portland and was small enough to take along. I liked the historical section also
