**Fodor's : Fodor's Maine Coast 3th (third) edition Text Only** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Maine Coast 3th (third) edition Text Only:

6 of 6 people found the following review helpful. Excellent guide to the coastBy Dr. TracyThis book gives you a great overview of the coast, with small tidbits about the history of the individual areas. As far as I know, this is the only travel book that exclusively with the Maine coast. I wish it would have contained more information on walking tours and hiking. Overall, its a great guide.
