Pierre Guillemot : Fodor's Morocco 1971 before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Morocco 1971:

Eugene Fodor's series of travel guides is "The Best of the Country-by-Country Guides" Atlantic Monthly This vintage Morocco guide is illustrated with atlas and city maps; complete with Glossary and Index. A foldout map of Morocco is attached inside the back cover. 339 pp.
