Fodor's : Fodor's Moscow St. Petersburg (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Moscow St. Petersburg (Travel Guide):

It's too big for your pocket, but the fact that it has both cities which almost everyone who goes there visits is a big help when packing for a trip. We were on a river cruise for the rest of our time in Russia and only on our own in Moscow and St. Petersburg and so this was

perfect for us. It has a lot of detailed information about all the sites and restaurants, nightlife and hotels. More than everything you need for a visit. 2 of 2 people found the following review helpful. Would generally recommend
By RetiredFloridianPro: Lots of good stuff inside: neighborhood walks, budget restaurants, best sites to visit, opening hours and prices, recent copyright.
Con: Some of the maps are a bit off, and only one Metro name given when station is actually a multi-line interchange.
