Fodor's : Fodor's New Orleans 2005 (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fodor's New Orleans 2005 (Travel Guide):

0 of 0 people found the following review helpful. Five stars for a great city. By John Candido Dear God, it's too tragic. The loss of life, the loss of a city... this book is obsolete now. The 2006 edition should not even be released. It's painful to go back and read this book, about all the wonderful things New Orleans had. I'm currently volunteering with the Red Cross, and so much is gone. If you were interested in seeing the cemeteries like St. Louis #1 and #2, they're gone. So

are most of the best bars and restaurants in Bywater and Mid-City. It looks like most of the Garden District is okay. I don't think people can understand the devastation... it's just awful. What a grim time. Some of this architecture lost is irreplaceable. Part of what makes New Orleans great is the people. I've heard that a lot of them don't plan to come back, it's too painful. And the loss of life... dear God, it doesn't seem fair. I hope when they rebuild the city they do justice to the city it was - it would be all too easy to turn the entire city into a theme park to try and make up for lost tourist dollars. Another part of N.O.'s greatness was the fact that it had REAL neighborhoods. The city will be missed.

Get the scoop on Mardi Gras parades, bite into Creole favorites at an old-style bistro, stroll along streets filled with elegant antebellum homes, or sip cocktails in an 18th-century cottage Fodor's New Orleans 2005 offers all these experiences and more! Our local writers have traveled throughout the country to find the best hotels, restaurants, attractions and activities to prepare you for a journey of stunning variety. Before you leave for New Orleans be sure to pack your Fodor's guide to ensure you don't miss a thing. The San Francisco Chronicle sums it up best "Fodor's guides are saturated with information." -New compact trim size make these guides even more portable - Two-color interior design makes it easier to find the information you need - Fodor's Choice Ratings flag must-see sights and hidden treasures - Hotel and restaurant reviews cover all budgets - Plus multi-day itineraries to help you build the right trip for you and/or your family
