Fodor's : Fodor's New Orleans 2010 (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's New Orleans 2010 (Travel Guide):

5 of 5 people found the following review helpful. Comprehensive and easy to use By CDSI picked this book up on a whim while preparing to spend a week in New Orleans. It's a slim volume, but it contains a great wealth of

information and is very user friendly. It also touches upon much of the area surrounding New Orleans, which was very helpful for planning day-trips. I wish there was a guidebook which covered all of Louisiana in depth, but in the meantime this is a good book to start with. 4 of 4 people found the following review helpful. all ages new orleans fun

I really enjoyed this book. Although we went on this vacation without our 2 kids I liked it that there were kid friendly options noted in case we ever want to go back. The restaurant reviews were dead on. We liked the shopping suggestions too. All of the suggestions were practical and well presented. I'm thinking of getting more Fodor's guides for upcoming vacations simply because this one was so good. 3 of 3 people found the following review helpful. Fodor's New Orleans

I purchased this book looking for things to do and see in New Orleans. This book is detailed and well designed. It is packed with good info, so one needs to have some time to read and plan ahead. I couldn't have asked for any more info than what's in Fodor's. I think it is excellent.
