Kept book and will definitely use again should we return. Great buy!0 of 0 people found the following review helpful. WHERE'S THAT SWEET TEABy ConnemaraHaving been to both gracious cities this pocket size book would have been very useful. It has nine maps each showing landmarks, dining, lodging, shopping, side trips etc., which are described as in any larger Fodor's travel book. I like the fact it's condensed and the maps leave little to doubt for getting around.From someone who travels a great deal, forget the larger book and take this.
