JacksonFodor's always has lots of great information; but two of the places we went to eat were gone!These books are full of useful tips; we especially enjoyed the Austin portion: we found lots of interesting clubs to visit in walking distance to our hotel!The restaurant reviews are on the money; Fodor's is usually reliable.0 of 0 people found the following review helpful. goodBy Julie Hendersonbook as expected - good. Not much to say - the travel book was exactly what I wanted, and was in very good condition
