We would not have been able to find all the worthwhile sight seeing spots, restaurants, etc without the help of this valuable book0 of 0 people found the following review helpful. Looks good. trip so I have only used local things but Fodor's has always been worth it if you find a deal on them. 3 of 3 people found the following review helpful. Good reference
By mollys granaI ordered the Fodor's Texas guide within a week after moving to TX for a temporary job. It has been with me every weekend we have been here and has been great to help us see the "don't miss" places while we are here...Texas really is a BIG state with a lot to see and do. With the Fodor's book, hopefully, we won't miss much!

Browse the trendy shops of Houston's Galleria and Rice Village, drive through hills filled with bluebonnets and fiery Indian paintbrush, sample the vibrant nightlife of Dallas Deep Ellum, and spot migrating birds along the Gulf Coast--the Lone Star State really is a whole other country. Fodor's Texas spotlights the best this big and beautiful state has to offer, from its top museums, art galleries, and hottest boutique hotels to its tastiest barbecue pits and taquerias.
