Planning a Girl Scout trip with 18 teenage girls is always a challenge but this book has helped make that task a little easier! It's very easy to read and being sectioned off by main areas of interest and things to do in the surrounding area is amazing! I love that each chapter includes maps, price ranges, and places to eat, stay and play. One thing I wish it had more of was images for some of the places they recommend for visual people like myself. A great tour guide and I can't wait to take with me this summer!
