CravenNeeded the book in a hurry and they turned it around in no time.5 of 6 people found the following review helpful. Hard to find information in this book.By M. DuellThe Index is very poor. I tried looking up the Spy Museum and Holocaust Museum. Nothing under Spy or Holocaust. I looked under Museum, and then looked for Spy and Holocaust. I also looked for National ...

museum. I went to the internet, and found that the full names are: International Spy Museum and United States Holocaust Memorial Museum. To my way of thinking, Spy and Holocaust should have been in the index. When I have to use Google to find something in a book's index, I think that the index is useless. 0 of 1 people found the following review helpful. Advertised as Like New - Wasn't. Took 4 Weeks to Get By Rupaddling It took 4 weeks to receive the book from the time I ordered it- almost too late to get it before my trip departure date. The shipping label appeared to be defective and maybe that was the problem in the delivery time. Also, the book was missing the tear out map and many pages contained someone's underlining. That isn't a big deal but it wasn't described that way.
