John DeMers : Follow the Smoke: 14,783 Miles of Great Texas Barbecue before purchasing it in order to gage whether or not it would be worth my time, and all praised Follow the Smoke: 14,783 Miles of Great Texas Barbecue:

The product of a 14,000-mile road trip and 111 different meals, this delicious guidebook to Texas barbecue is just the thing for any aficionado with a little gas money and a large appetite. The restaurants profiled range from very plain (a

shack with an ordering window) to fancy, from Port Arthur to Abilene, McAllen to Texarkana, and Austin to El Paso. Expressing an absolute reverence for Texas barbecue, this guide celebrates the work and time required to produce meat that is perfectly smoky, tender, and juicy.
