the Dallas area. I looked through the book and it seemed to have many reviews of restaurants. I have 4 stars due to the book not having pictures of the places written about. 0 of 0 people found the following review helpful. What a fabulous tool to have! By Kimberlyh I absolutely love this book! It is such a great tool to use for trying new restaurants in Fort Worth or Dallas! It's also a great gift for someone who has just moved to one of those places! It's so informative and right on the money on everything!
