Book leaves a bad taste in your mouthBy DaddySo....when you think of a restaurant guide.....you want to know what are some good Italian restaurants or good Mexican restaurants because you are looking for a certain type of cuisine or dining experience (i.e. Steakhouse, Chinese, Seafood, Indian, etc.....like the way Zagat arranges by each village or type of cusine ? ...right ? - OR..... you want to know all of the different kinds of restaurants that are in Smithtown or New Hyde Park ?.....right !.....-- wellyou can forget about all of that because you can't do any of that in this book which only gives you things like ' food fave ' in various towns -- To think I signed up to buy this book which took almost a year to publish !...what a letdown this book was -- you're S.O.L. if you want to find the different types of restaurants in specific towns i.e. Huntington or Great Neck you're S.O.L. if you're looking for specific types of cusine i.e. Korean BBQ or French, in restaurants in Nassau or Suffolk County
