I saw it at the library and since I only live 1/2 hour from the Mass border I thought it would be fun to browse through it. I had post-it notes stuck on so many pages I thought I had better buy my own copy. The book is divided by regions and towns and has suggestions for restaurants, shops, markets, etc. If you consider yourself a foodie or just enjoy sampling local favorites you will want this book! I am now planning day trips around the foods I want to try. Great book. I wish there was one for every state.
