Jennifer Justus : Food Lovers' Guide to Nashville: The Best Restaurants, Markets Local Culinary Offerings (Food Lovers' Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Food Lovers' Guide to Nashville: The Best Restaurants, Markets Local Culinary Offerings (Food Lovers' Series):

2 of 2 people found the following review helpful. Great supplemental food guideBy Mike J. MellinaI used it as a supplement to my Frommer's guide book. This book had more information about the Farmer's market and the Cat Bird Seat restaurant. I am looking forward to trying out both of them. If you are a true foodie, I would recommend having this book in conjunction with one of the other major travel guides. The book does not have many color photos but the content is good and Nashville is just an awesome city to visit. We do the CMA Music Festival every year.3 of 4 people found the following review helpful. Lots of good information (too much and no rankings)By EWG76Lots of good data, but it's like the author didn't want to pick favorites. Hundreds of reviews but no list of 'Top 10' or 'can't miss in this genre' which didn't help. The whole thing was arranged by neighborhood, so it may make sense if you're a local

who wants to explore, but it's less useful for a tourist who is only in town for a few days and just needs a recommendation. I was in Nashville only briefly, every place we tried from this book was great, but I had to go to a Frommer's guide to a) figure out what neighborhood I'd be in (and also see their 'top restaurants list) so that I could narrow down enough to use this book. Otherwise you read it and think 'ok, how do I know which out of 30 Mexican restaurants I should go to?' 6 of 6 people found the following review helpful. LOVE this book, easy to navigate! By Laura Graham We have lived in Nashville since 2006 with lots of family and friends who visit regularly, restaurant choice is always a huge topic and a point of overwhelming indecision for me, finally I have a book with ALL the options so they can choose from descriptions with addresses, phone numbers, twitter handles and price points... Made even more perfect by breaking the book down by sections of town and pointing out landmarks and famous stops. Also has a map in the front of the book! SO glad that we got this and have ordered as gifts for my Nashville friends who will appreciate this jewel of a city guide!!

The Best Restaurants, Markets Local Culinary Offerings The ultimate guides to the food scene in their respective states or regions, these books provide the inside scoop on the best places to find, enjoy, and celebrate local culinary offerings. Engagingly written by local authorities, they are a one-stop for residents and visitors alike to find producers and purveyors of tasty local specialties, as well as a rich array of other, indispensable food-related information including: Favorite restaurants and landmark eateries Farmers markets and farm stands Specialty food shops, markets and products Food festivals and culinary events Places to pick your own produce Recipes from top local chefs The best cafes, taverns, wineries, and brewpubs
